- works for the T.O.D. (short for Tyrannical Office Despot, also known as Amy Jenkins, Director of the Human Resources Division at the New York Journal)
- is sleeping on the couch because her boyfriend of ten years refuses to commit
- can't find an affordable studio apartment anywhere in New York City
- thinks things can't get any worse.

They can. Because:

- the T.O.D. is making her fire the most popular employee in the paper's senior staff dining room
- that employee is now suing Kate for wrongful termination, and
- now Kate has to give a deposition in front of Mitch Hertzog, the scion of one of Manhattan's wealthiest law families, who embraces everything Kate most despises ... but also happens to have a nice smile and a killer bod.
